

Hundreds of organizations in over 200 cities now use CharityTracker to jump-start and sustain increased capacity for building cooperative partnerships and mobilizing resources.

CharityTracker is an online distributed network for secure communication and information sharing. Qualified care providers use this to monitor charitable giving and mobilize resources throughout their community. CharityTracker online community networks are simple to use, easy to implement, and affordable.

CharityTracker makes it easy to:

- Securely share valuable information with each other.
- Prevent duplication of services, saving thousands of dollars.
- Instantly broadcast area-wide bulletins and alerts.
- Identify needs and mobilize resources.
- Encourage better accountability and efficiency.

In a time when we all need to do more with less, it's important that the right resources get into the right hands. CharityTracker makes it easy for care providers to monitor giving and measure impact.
